## Double You

You really want it both ways, don't you?

You want old Hollywood glamour (satins and cashmeres worthy of a Hitchcock heroine) yet you also want the dress that nobody has. You want to be so far ahead of the curve, the curve can't even keep up.

Well, say hello to Lewis Albert's debut collection of out-and-out sultry cocktail dresses, jewel-tone separates, luxurious coats, cropped jackets, and perfectly fitting trousers. Shown for the first time this fall and not yet available all over town, this is one line that next to no one will know about.

Designed by a Harvard senior and produced at the same factory as Zac Posen, every piece is a tribute to the girl who has classic taste and modern sensibility. Camisoles perfect for a night out, suits perfect for an interview, dresses perfect for opening night.

In other words, perfect for you.

*Lewis Albert's collection will soon be available in Boston boutiques. Meanwhile, you can view it online at [lewisalbert.com](http://lewisalbert.com); e-mail [ewhitman@lewisalbert.com](mailto:ewhitman@lewisalbert.com) for an appointment for a private fitting.*
